presents:

Managed Long Term Care and FIDA Update

Monday April 20, 2015

2:00 pm – 5:00 pm

7 Hanover Square, 15th Floor Conference Room, NY NY

Understanding, accessing, and preserving the Medicaid home care benefit has become more challenging than ever. This free CLE will provide an overview of accessing Medicaid home care through managed care, including Managed Long Term Care (MLTC), and the new FIDA (Fully Integrated Dual Advantage) option. Topics to be covered:

- Differences between MLTC and FIDA
- FIDA passive enrollment
- Issues faced by clients passively enrolled into FIDA and how you can help them
- Considerations for new home care consumers when choosing a plan, including FIDA
- Troubleshooting MLTC and FIDA plan enrollment
- Requesting new or increased services
- Appealing service denials and reductions
- Financial protections: Spousal impoverishment and the “housing” disregard

CLE Info: 3 credits in Professional Practice. This course is appropriate for both newly admitted and experienced attorneys.
