The New York State Department of Social Services will no longer be the party to notify when a request involves an Upstate HEAP issue for an SSI/Code A recipient for the 1994/95 program year. For SSI individuals living alone or SSI married couples who request a hearing on a HEAP issue, the request should be coded with the LDSS as the sole agency, eliminating the NYS4 secondary agency, as follows:

> Agency : LDSS Category : HEAP Subcategory : None Other : None

All requests involving Upstate HEAP issues for SSI/Code A recipients for the 1993/94 program year should continue to be coded with the LDSS as the agency and NYS4 as the secondary agency, as follows:

Agency: LDSS/NYS4 Category: HEAP Subcategory: None Other: None

This will ensure that Debbie McCardle at the NYSDSS, Division of Economic Security-HEAP, continues to receive proper notification and a decision copy for any outstanding 1993/94 requests.
